“Success isn't always about greatness. It's about consistency. Consistent hard work leads to success. Greatness will come.” - Dwayne Johnson

That has been rightly proved by the Grade XII students at Delhi Public School Electronic City with their stellar performance at the AISSCE 2023. Their exceptional performance this year has created a new paradigm in the history of the institution.

60 out of the 92 students who appeared for the examinations received distinction! The school has had an astounding 100 % pass rate. Humanities section topper is C Vrithika Reddy with **97.6 %**., Shiven Singh topped the Science stream with a score of **96.8 %**, while the Commerce stream topper is Lakshay Bansal with **93 %**. Furthermore, we have 15 students who have secured 90% and above in the aggregate.

The management, principal, and staff of DPS Electronic City congratulate and laud all the students for their outstanding performance and their parents for their committed assistance throughout. May the students continue to bring in impeccable honors and be the leaders of tomorrow. Wishing them all the best for their future endeavours!
